-------	--	---

## Quality Policy

The scope of the quality management system is to provide a simple but comprehensive structure to promote the necessary consistent systematic approach for the Design and Erection of Scaffolding delivered to both the Public and Private sectors.

It is the policy of Artel Scaffolding Limited - to provide a level of customer care and focus that always delivers complete satisfaction

The Managing Director is committed to:

- Compliance with the requirements of the quality management system.
- Continual improvement of the effectiveness of the quality management system.
- Ensuring that the quality policy is communicated and understood by the workforce.
- Ensuring that the quality policy is reviewed for continuing suitability.
- Ensuring that measurable quality objectives are established
- All work will be completed to TG20:08

In addition to this the Managing Director has engendered in the workforce a commitment towards this policy and full implementation of the QMS

The quality policy and quality objectives are reviewed for on-going suitability and sufficiency during management review as defined within company procedure 'Management Review' QMS/Section 5.6
